### **Bondi Says I Do**

Clients preparing for their big day may be interested to know that Bondi's The Swiss Grand Resort and Spa is hosting a wedding open day, 28 Mar. A range of wedding supply providers will be on hand, along with wedding dresses to try on. While providing a chance for brides and grooms to check out the facilities at the resort, which says it's Bondi's only wedding hotel, Accor is also using to show that it is open for business, despite rumours the hotel was closing for renovations.
